Pt VI, Line 7a: There are no classes of persons with rights that are in addition to the rights of any other persons. Open solicitations for nominees are advertised locally in each area from which a board member will be elected. Nominees must be residents of the area they represent. Official ballots and polling places are advertised in community newspapers prior to election. Any persons 60 years of age or older are eligible to vote. One polling location per county is designated by the board at March meeting. Elections held during May on a date designated by Board. Results of elections submitted to Board by June 1. One board member chosen per county. Any vacancy occurring prior to an election shall be selected from the representative county by governance committee and appointed by the Board Chairman and said director shall serve the unexpired term of their predecessor.

Pt VI, Line 11b: The process for review is as follows: the executive director and fiscal manager collaborate with the auditor to complete Form 990. This step may involve receiving information from employees, board members, contractors and others who have business-related activities with the Organization. The auditor provides a completed Form 990 to the executive director and fiscal manager for their review. Once approval of the executive director and fiscal officer is granted, each board member will receive a copy, including required schedules, as ultimately filed with the IRS for their review at the next regularly scheduled board meeting. The review is conducted by the executive director, fiscal manager and board. A review checklist is utilized. After completion of the review, the board resolves to approve the Form 990. If at any step in the process a revision to the Form 990 is requested, the revised information is given to the auditor, the Form 990 is revised, and the process begins again.

Pt VI, Line 12c: The board has established a number of policies and procedures

---	--

to guard against conflict of interest regarding proposed and ongoing transactions.

All board members and staff are trained on, and subject to, these policies and procedures. Annually, the board of directors and key employees sign a statement certifying no conflicts of interest or describing potential conflicts of interest that may exist. The board, with assistance of executive director, is responsible to determine whether a conflict exists and resolution. Should a conflict be identified, such person would be prohibited from participating in the board deliberation and decision in the transaction.

Pt VI, Line 15a: Compensation for executive director and fiscal officer are approved annually by Board. Board utilizes a salary schedule that establishes a maximum salary of \$75,000 for executive director and \$55,000 for fiscal officer. Merit increases, of up to 6% may be given, by the board, to employees at the time of their annual evaluation.

Pt VI, Line 19: The Organization makes its governing documents, conflict of interest policy, and audited financial statements available, at the Organization's office, to the general public upon request. Also post annual audited financial statements on the website.

Pt XII, Line 2c: The audit is procured by the State of Missouri on behalf of the Organization. During the audit, the board of directors and executive director assume responsibility for oversight of the audit. Upon completion of the audit, the Missouri Department of Health & Senior Services reviews and approves the audit report; board of directors reviews audit report, holds exit conference with the auditor and formally votes to accept audit report. This process is followed consistently from year to year.

Other: Page 10, Part IX, Line 25, column D - The primary purpose of the Organization is the establishment of the priorities and development of overall plans for programs on aging in the Multi-County Area of Northeast Missouri. The Organization receives

funds under Title III and other Titles of the Older Americans Act (OAA) and such other sources as may become available. The Organization is mandated by the OAA to use subgrants or contracts with service providers to provide all services under OAA funding sources. The Organization may request a waiver, from the Missouri Department of Health and Senior Services to provide a service directly. Due to the nature of funding received and the strict limitations placed on the use of that funding by grantor agencies, the Organization did not conduct any fundraising activities for 2017-2018.
